SCHOOLTOOL STYLE AND ICON UPDATES

In April 2022, users will experience a new SchoolTool interface. The SchoolTool upgrade impacts the overall style of the student management system through the application of new colors and icons. The information below outlines some of the improvements.

LAYOUT AND NAVIGATION UPDATES

The SchoolTool interface will be updated with a modernized color scheme. Gold-colored backgrounds will be removed from tabs and tables and a light gray background will be added to reduce eye fatigue. There will also be increased text spacing and sizing throughout SchoolTool to improve readability. Additionally, menu tabs have been moved to the left side of the screen for better visibility.

ICON UPDATES

New icons are displayed throughout the application. These updated graphics are responsive when changing browser text size and will adjust automatically. Additionally, the updated icons will appear **bold** when hovered over. Where needed, icons have been replaced with more appropriate representations.

| | CURRENT ICON | UPDATED ICON |

SCHOOLTOOL STYLE AND ICON UPDATES

REQUIRED FIELDS

Some required fields have been updated to display with a **red outline and a white background**.

Example: Home > Discussions

| Include: | Student Only | | ~ | |
|---------------|--------------|---|---|--|
| Building: | ALL | ~ | | |
| School Level: | ALL | ~ | | |
| Student: | | | | |
| Title: | | | | |
| Message: | | | | |

TAB STYLING

In special situations, as defined by district settings, tabs will display either a green or red dot.

- Notes tab Green dot will display when a "new" note is added
- Notes tab **Red** dot will display when there is an active Order of Protection
- Contacts Tab **Red** dot will display when there is a Custody Alert
- Messages Tab Green dot will display when there is a "new" message
